Watauga County Schools serve identified Pre-K age students with disabilities by having service providers (i.e., teachers and therapists) come to the site where the student is attending a Pre-K class. Watauga County Schools will make every effort to place a student with a disability, that is eligible to enroll in one of our WCS NC Pre-K classrooms, at the WCS NC Pre-K site in or closest to their school attendance zone. Due to the child's individual educational needs though, and in accordance with federal and state law, it may be necessary for the district to place the student in a different WCS NC Pre- K class outside of their attendance zone in order to provide a free, appropriate public education as required by that student's Individualized Education Program (IEP). In this case, the child's IEP team, of which the parent is a member, will convene to discuss this recommendation.
